

Rolling Links Manual

What is Rolling Links Plugin?

Rolling Links adds a very cool effect to your links.

When somebody puts their mouse over a link it makes it animate with rolling effect.

Make Your Links WOW Your Visitors With My Free Plugin

Hi there!

I'd like to share with you a [cool little plugin](#) I developed that MAKES YOUR LINKS ROLL! 😊

The plugin is called **Rolling Links**.

Just put your mouse over [any of the links](#) in this post to see the demo.

Pretty cool, huh?

You can get this plugin for free.

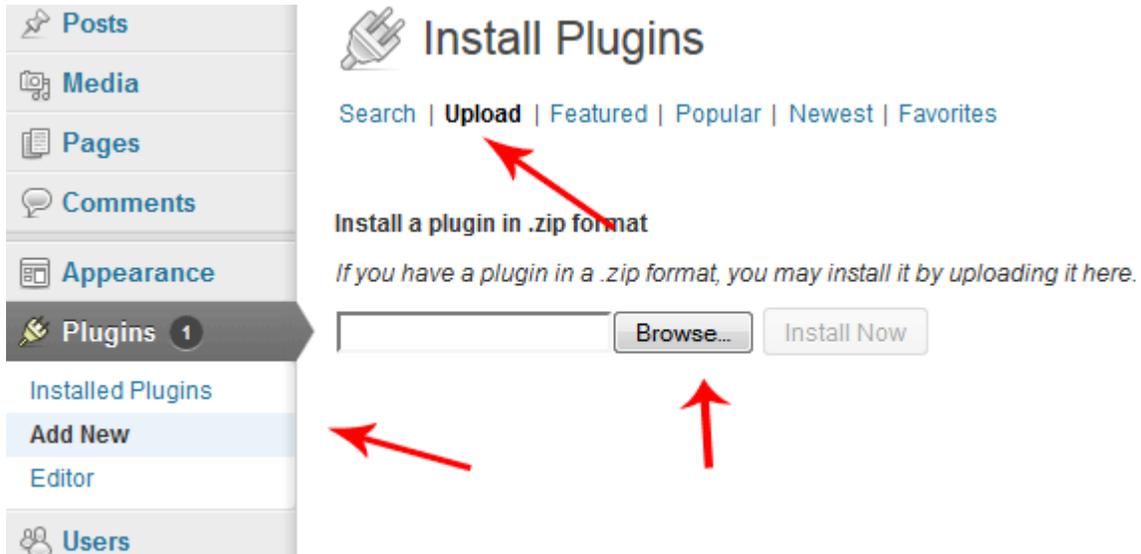

All I'm asking is for you to [join my Amazon Affiliates Group on Facebook](#).

Installation

In your WordPress admin area go to Plugins -> Add New and Click Upload link in the top menu:

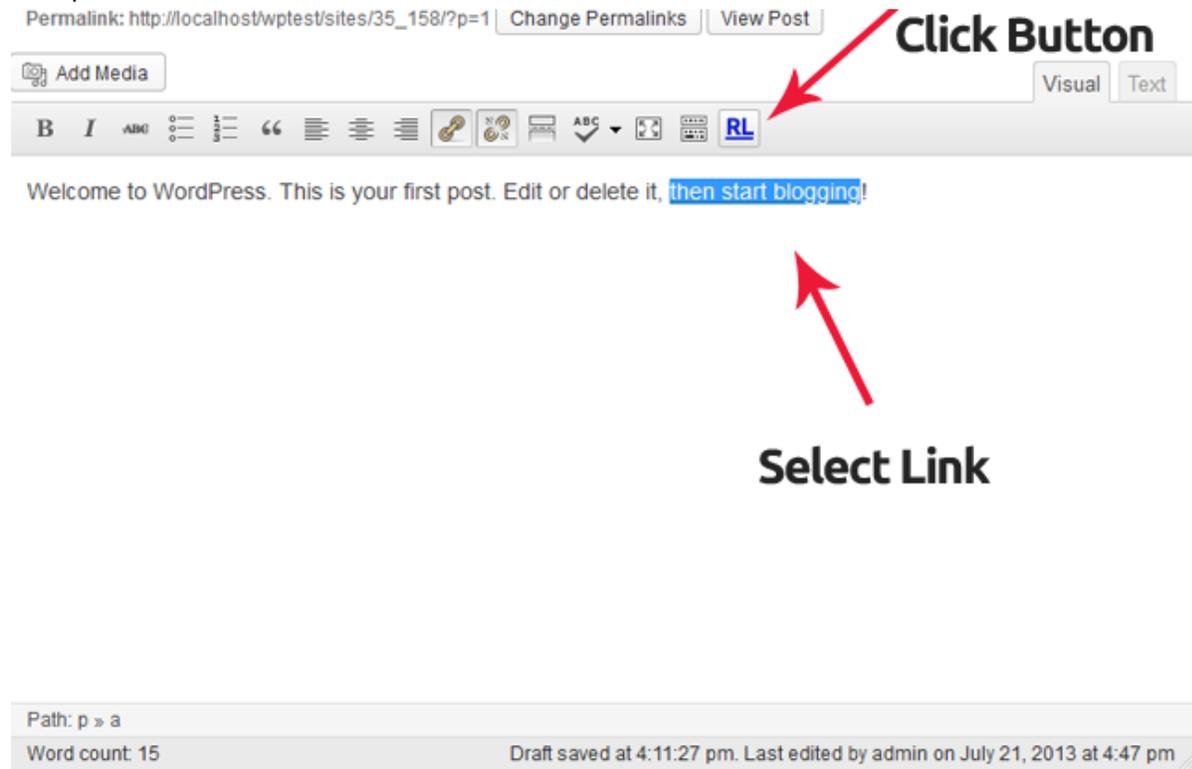

The screenshot shows the WordPress admin interface for installing plugins. On the left is a sidebar menu with items: Posts, Media, Pages, Comments, Appearance, Plugins (1), Installed Plugins, Add New, Editor, and Users. The 'Plugins' menu item is highlighted. The main content area is titled 'Install Plugins' and features a sub-menu with 'Search', 'Upload', 'Featured', 'Popular', 'Newest', and 'Favorites'. The 'Upload' link is highlighted with a red arrow. Below this, the text reads 'Install a plugin in .zip format' and 'If you have a plugin in a .zip format, you may install it by uploading it here.' There is a text input field, a 'Browse...' button, and an 'Install Now' button. A red arrow points to the 'Browse...' button. Another red arrow points to the 'Add New' menu item in the sidebar.

Upload file rollinglinks.zip and click Activate on the next screen.

Go to Posts and edit any post.

Select desired link in the text and click the RL button on the top toolbar.

Hit Update and click View Post.

The screenshot shows the WordPress post editor interface. At the top, there is a toolbar with various icons. A red arrow points to the 'RL' button in the toolbar, labeled 'Click Button'. Below the toolbar, the text 'Welcome to WordPress. This is your first post. Edit or delete it, [then start blogging!](#)' is displayed. A red arrow points to the link 'then start blogging!', labeled 'Select Link'. At the bottom of the editor, there is a status bar showing 'Path: p » a', 'Word count: 15', and 'Draft saved at 4:11:27 pm. Last edited by admin on July 21, 2013 at 4:47 pm'.
